BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the application of Fariborz Alishahi dba Orange County Cruiser, Seller, and Simin Rad, Buyer, for approval of the transfer by sale of the operating authority held by Seller in passenger stage corporation certificate 15262 from Seller to Buyer, pursuant to the provisions of Public Utilities Code §§ 851 et seq.

Application 03-10-024
(Filed October 8, 2003)

O P I N I O N

Summary

This decision grants the application to transfer, pursuant to Pub. Util. Code § 851 et seq., a passenger stage corporation (PSC) certificate from Fariborz Alishahi (Transferor), an individual, to Simin Rad (Transferee), an individual.

Discussion

Transferor is authorized by Decision (D.) 03-01-029, to operate as an on-call passenger stage corporation (PSC-15262) to transport persons and their baggage between points in Orange County and John Wayne Airport.

The application requests approval to transfer the PSC certificate to Transferee. Transferor desires to start another line of business unrelated to airport transportation. The purchase price is \$10,000, as described in the purchase and sale agreement attached to the application as Exhibit 1. Exhibit 2 of the application is Transferee's unaudited balance sheet as of July 30, 2003, that discloses assets of \$330,295, liabilities of \$12,225, and net worth of \$318,070.

Notice of filing of the application appeared in the Commission's Daily Calendar on October 10, 2003.

In Resolution ALJ 176-3121 dated October 16, 2003, the Commission preliminarily categorized this application as ratesetting, and preliminarily determined that hearings were not necessary. No protest has been received. Given this status, public hearing is not necessary, and it is not necessary to alter the preliminary determinations made in Resolution ALJ 176-3121.

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Pub. Util. Code § 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.

Assignment of Proceeding

Richard Clark is the assigned Examiner in this proceeding.

Findings of Fact

2. Transferor requests approval to transfer his authority to Transferee.
3. Transferee has the financial ability to assume operation of the PSC business.

5. No protest to the application has been filed.
6. A public hearing is not necessary.
7. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Conclusions of Law

1. The proposed transfer is in the public interest and should be authorized.
2. Since the matter is uncontested, the decision should be effective on the date it is signed.

3. Only the amount paid to the State for operative rights may be used in rate fixing. The State may grant any number of rights and may cancel or modify the monopoly feature of these rights at any time.
